

How to recycle your waste

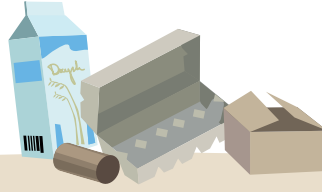

Plastic packaging

Hard and soft plastic packaging: bottles, lids, plastic bags, polystyrene.

Paper packaging

Cereal boxes, milk and juice cartons, toilet roll tubes and cardboard boxes.

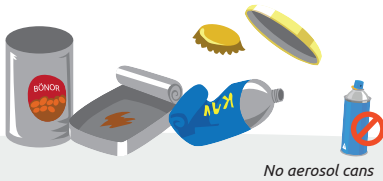

Food waste

Vegetable scraps, leftover food, tea bags, shells, meat bones and flowers.

Metal packaging

Tin cans, tubes, lids, tops, aluminium foil, metal trays and empty paint tins.

Residual waste

Diapers, envelopes, dishcloths, snus, toothbrushes and cat litter.

Newspapers

Newspapers, magazines, catalogues, flyers, brochures and drawing paper.

Clear glass packaging

Clear glass bottles and jars. Remove caps and lids and recycle them separately.

Coloured glass packaging

Coloured glass bottles and jars. Remove caps and lids and recycle them separately.
